

Hestercombe Avenue - fantastic house, London, Parsons Green, Fulham

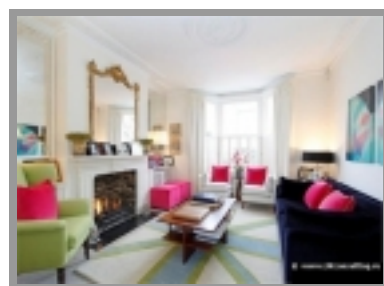

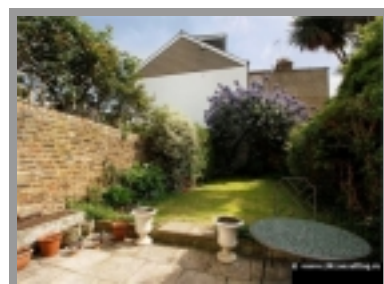

Five bedroom apartments in amazing house in a wonderful area of London.

Excellent place to live. The area is beautifully situated in the central part of London but in a little distant from all rush. But it does not mean that the area is too quiet and sleepy! Private streets are quiet and comfortable, but you can easily reach central part - the most noisy and popular area of London. A lot of restaurants with different cuisine and excellent service, bars, cafes, friendly traditional pubs nearby. Beautiful parks and gardens, private streets are full of small shops. And for those who love sport - fitness centers, swimming pools, tennis courts within walking distance. As well, the area is full of schools, colleges, both private and public. Amazing area!

This lovely house is beautifully decorated and has many original features. Living area is very spacious and set on three floors.
